The first day of summer may be this week, but summer is in full swing at the Yacht Club! We have already had several successful social events with large numbers in attendance. And what fun we are having!

Sailing races have also begun. The race schedule has changed this year. MCs race on Mondays at 6:30 and Sunfish race on Thursdays at 5:00. Volunteers are needed to help on the Committee Boat and I hear they are having more fun than the sailors. Contact Austin Francis if you want to join the fun. Another All Sail Day is being planned for July. The conditions for the first one were pretty tough.

There is still time to sign up for the youth programs. Both sailing and swimming are being offered in one-week sessions. Swimming is being taught by YMCA instructors here at our facility. Registration for both swimming and sailing is available on our website this year. Tennis and golf are also offered again this year by Dale Campbell, but the registration deadline dates have passed.

The social calendar this year is full of fun with activities planned every weekend. This Saturday is a repeat event – the Craft Beer Tasting. Please be sure to register in advance so that the hosts will know how much beer to order. And there are special door prizes for the first 75 people who register. This is always a great event so sign up now! The next big event is the Block party coming up on July 8<sup>th</sup>. This was such a success last year that we are bringing it back.

All of the events at the club this year, whether social, sailing or youth, can be found on the calendar on the web site: [dlycml.org](http://dlycml.org). In spite of a few glitches here and there, it seems to be working well for registration and payments. I personally want to thank everyone for using it. If you have problems along the way, please feel free to contact me.

The last point I want to make is that all of the changes we have made and continue to make are in response to the member survey conducted last year by the Strategic Plan team. You the members have spoken and the leadership of the club has heard what you said and taken action. What could be better? What an amazing club we have here!

## Summer of 2017 Ladies Luncheons

*Thanks to everyone who volunteered to host a luncheon!*

The schedule for this summer's ladies' luncheons is complete. Please RSVP to the hostess by the Monday before so she will know how many to prepare for. Thanks again for all the volunteers and remember, if you are a hostess, do not need to bring food to ANY of the luncheons for the entire summer. We are looking forward to lots of fun eating and visiting!

## BEER TASTING

Come out and reconnect with summer friends and beer enthusiasts at the annual beer tasting - featuring four different regional breweries...

- **Three Floyds** (Munster, Indiana)
- **Founders** (Grand Rapids, Michigan)
- **Sun King** (Indianapolis, Indiana)
- **Revolution** (Chicago, Illinois)

We will be learning about different types of beer and their distinguishing properties, and trying beers ranging from light, to IPA, Stouts, Darks, and unusual small batches. The beers are available locally - and many even come in lake-friendly cans.....

**Hosted by**

**Kyle Hogarth, Steve Molony & David Horvath**

**June 24<sup>th</sup> 7pm to 9:30ish**

**We are encouraging advanced registration - so we can make sure we have enough beer - but you may also register and pay at the door.**

**Fee: \$25**

**FIRST 75 PEOPLE TO REGISTER WILL RECEIVE A DLYC DOOR PRIZE!**

## Sailing News

Sailing is starting to get into full swing at the DLYC and it is exciting to be a part of! Racing has started with MC's on Monday nights at 6:30 p.m. and the Sunfish fleet racing on Thursday nights starting at 5:00 p.m. We continue to watch the fleets expand as more people transition to being at the lake for the summer and get their boats in the water. If you have an MC or Sunfish we welcome all to come out and join us for some fun! Even if you have a different type of boat, we would not be opposed to having you come and sail the course with us. Also, as a reminder, the club has Sunfish boats available for use and we are working on getting an available MC as well. Just get in contact with Austin Francis or Leah Peluchowski if you would like to utilize one.

Our race committee continues to grow which is awesome! It is an excellent way to get on the water and learn about sailing and the art of racing. Whether you have been involved with sailboat racing before or not, we would love to get you connected and give you an opportunity to be a part of the activities.

We just had a great All Sail Day and are planning for another one in July. Be on the lookout for more information on that. Our goal is to get a bunch of different sailboats out on the water!

Youth sailing starts July 5th with 4 separate weeks that your children or grandchildren can sign up for. The lessons are led by our very own national competitor at the high school and collegiate level, Leah Peluchowski. Your youth will have an incredible experience! Registration is on the DLYC website.

Adult sailing lessons are in the works. We will have information posted to the website soon!

The DLYC Open MC Regatta is scheduled for July 29th and 30th. This is our biggest sailing event held at the club that brings in sailors from around the country. We have connected it this year with our Commodore Hog Roast Dinner and should be an event that all will want to be a part of. There are plenty of ways to volunteer from specifically being on the water helping with the races, hosting sailors from out of town, helping with meals, and a number of other things. If you would like to volunteer in any capacity, please let Austin Francis know.

Thank you to the many people who have already stepped up to the plate to increase the sailing presence and direction of sailing at the DLYC. We look forward to an exceptional summer!
