Volume 5

August 1, 2019

With the close of July, the summer is definitely reaching the midpoint but we have at least the next several months to enjoy the lake activities and the events still planned at the Diamond Lake Yacht Club (DLYC).

I want to take an opportunity to address two of my favorite themes which are sailing and volunteering. I know you are now asking yourself why Louie keeps going back to the same old items in every Commodore letter he writes. The reason is that these two items are critically important to the well being and future of the club.

We are all aware that the club was founded over 80 years ago by a group of sailors interested in promoting sailing and social activities of the lake community. Well, this last Sunday I had the pleasant experience of dropping in on the club's waterfront while the club's "all sail day" was in progress. Reflecting on the activity I observed, I would have to say that those objectives that the club was founded on were in good hands. Reid and Austin Francis (Members of the third and fourth generation of Francis sailors on Diamond Lake) were there as always supporting a rather large gathering of all different types of sailing boats operated by young and old sailors alike. Everyone was enjoying the sailing activity on a beautiful sailing day. They had over 15 sailboats on the lake with more coming in. Of course, these activities do not happen by accident and I want to thank the whole Francis family for their volunteer efforts to encourage sailing the Diamond Lake. By being a member of the Diamond Lake Yacht club, you share in these traditions and should feel good about the activities of your club.

As an update on the youth activities this summer, I will start with the swimming activities. As you are aware, we contract our swimming out to the Niles "Y" as they are the experts in this area. They ran two weeks of lessons and were full both weeks. The club initiated a new "Kiddie Kamp" activity spearheaded by Sharon Block that saw 30 participants over a two-week period. Youth sailing is still going on with over 40 young sailors participating in learning to sail or improving their skill level. A special thanks to Anne Coles and Julie Conboy Hesse who have spent countless hours working on youth sailing and coordinating with the "Y" on the swimming classes.

Your Board has received their first formal draft of proposed changes to the By-laws in their July meeting. The changes will be discussed and voted on in the August meeting to prepare for their hearing and vote at the annual meeting. In other actions the Board agreed to purchase five (5) used boats to support the youth sailing activity. In addition, it accepted a new policy for the use of the club's sailboats by the membership. This policy says that any member may use these boats at no costs provided it is cleared by the Rear Commodore and a release for it is signed. This provides another great benefit for belonging to the DLYC.

Ending this message to the membership, I want to thank all of the members who have volunteered their time to making the DLYC the place it is. Whether it is hosting a social event or sitting on one of the committees, your efforts are recognized and appreciated.

Social News:

The Social Committee and our Club volunteers have been very busy in July:

Let's thank Sharon Block and her daughters, Karen and Jennifer for organizing and working the 2 weeks of **Kiddie Camp**. The children and parents thought this was a fun and successful event. Hopefully, we can get them to do this again next year.

Summer of 2019 Ladies Luncheons

Thanks to everyone who volunteered to host a luncheon!

The schedule for this summer's ladies' luncheons is nearly complete. This year we are asking you to sign up online by the Monday before so the hostess will know how many to expect. Thanks again for all the volunteers and remember, if you are a hostess, you do not need to bring food to ANY of the luncheons for the entire summer. We are looking forward to lots of fun eating and visiting!

DL Yacht Club Beer Tasting

Come out and reconnect with summer friends and beer enthusiasts at the annual beer tasting - featuring beer from different regional breweries...

We will be learning about different types of beer and their distinguishing properties, and trying beers ranging from light, to IPA, Stouts, Darks, and unusual small batches. The beers are available locally (**can get at Dussel's!**) - and many even come in lake-friendly cans.....

If you home brew, we will have a special section for you to showcase your own personal beers!

Hosted by
Kyle Hogarth, David Horvath, & Steve Molony

Saturday, Aug 10th: 7pm to 10:00ish

We are encouraging advanced registration - so we can make sure we have enough beer - but you may also register and pay at the door.

Sailing on Diamond Lake

DLYC Sailing

Sunfish and Butterfly Races

Saturdays August 3rd & 10th, Regatta August 31st

9:30 am

All Sail Day

Sunday August 18th

1:00 pm

The summer is not over as we still have **Sunfish/Butterfly** races on August 3rd, 10th, and the annual Labor Day Weekend Regatta on August 31st. These races are open to all ages and experience levels! We may incorporate some Opti races in with those. All races start at 9:30 a.m. and we have club boats available.

We also have our last **All-Sail Day** of the summer on August 18th which will include a scavenger hunt on the water! The most recent one we did on July 28th had such a vast array of boats that made Diamond Lake look amazing! Thank you to everyone who came out and enjoyed the nice and windy day! These events are open to anyone, even if you haven't ever sailed before. Come down to the club or give us a heads up at dlycsailing@gmail.com and we will find a boat and sailor for you to go with.

Lastly, if you are an adult looking to learn how to sail we will have our last fun, **Adult Sailing Class** on Friday, August 9th from 5:30 - 8:00. Participants from our first event commented afterwards, "I had no idea that I would have so much fun tonight!" Please let us know if you are interested at dlycsailing@gmail.com.

Diamond Lake Youth Sailing

The youth sailing program 2019 has been incredibly successful! ... More so than any of us could have anticipated. We celebrated and instructed 40 youth sailors during the month of July. Our success is due to the dedication of our fearless Commodore, Louie Csokasy, and our hard working lead instructor, Lane Francis. Both of these individuals took a huge leap of faith over the winter when they committed to the new format and new boats. Lane has been assisted by his team of regular staff: Riley, Genevieve and Timothy. Throughout the summer he needed some extra help from Austin, Beatrice and Connor. All of these young adults took their roles seriously, and worked diligently to provide a fun, safe and encouraging program for our members, family of members and non-member families. We had our fair share of excitement and nerves at the start of each session. Watching these young participants struggle with the new Optis on day 1 and then rig, sail and dock them with confidence and a smile by day 4 was such fun. Our intermediate sailors took new risks and gained a great deal of skill.

Lane tackled the challenge of starting our beginners and entry intermediate sailors with the new Opti boats, and worked incredibly hard to integrate the new 420 and our reliable “go to” Sunfish boats for the more intermediate sailors. One can feel the confidence when you talk with Lane about the program now—please inquire next time you see him!

We have been overwhelmed with pride and excitement observing the growth of our new program, our instructors, our sailors and the beauty of the piers when they are full of boats and kids.

Please visit the DLYC Facebook page or our Instagram account to see a summer full of memories and comments and views from near and far!

A tentative schedule for next year will be posted soon and sign-ups will start in February or March. Watch the website and we encourage you to sign up early. We sold out of every session and had to turn away participants.

KIDDIE Camp 2019 launched into fun!

For two weeks in July, 20 kids, ages 2-7, rotated between sports on the court, crafts, games and snacks while parents and grandparents were able to run errands, socialize or get some work done. Along with these young tots, seven awesome club member teens led the way. Great fun was had by all!
